

Future Mall Smart Garage - System Diagram

Portfolio ID: EYOUTH-30909090117044

Inputs	Processing	Outputs
Entry Button	ESP32	Green LED: spaces available
Exit Button	ESP32	Red LED: garage full
	ESP32	Yellow LED: entry blink
	ESP32	Blue LED: exit blink

Data flow: the entry and exit buttons send input to the ESP32. The ESP32 changes the car count and controls the LEDs.
